This is a **non-refundable** fee of R 4,000.00 for full time programmes and part time programmes (Saturday Classes) payable by first time applicants/students, in order to secure a place in the class. Students wishing to stay in residence, should pay an additional non-refundable fee of R 2,000.00 in order to secure their booking.

Tuition Fees

Our tuition fees are only valid for one entire academic year and cover all tuition fees, exams, re-exams (if any), and almost all books. Some of the books used in the senior academic years have to be bought by the student at his/her own expense. A full list will be given during the first week of the academic year.

Students at the PE campus will pay R10 000 less for every course.

PLEASE NOTE:

All fees are payable in advance. You can either pay the full tuition fee at the start of the academic year, or you can choose a payment option plan (only available to RSA citizens). This option is 10% more expensive. No discount will be given for lump sum payments. A debit order facility is available and is the preferred option for instalment payments. The Debit Instruction form can be found on our website under **Downloads** as part of the Information Pack and should be sent to Bredenkamp.r@belgiumcampus.ac.za.

10 monthly payments

This means that all payments have to be made on or before the 28th of every month: 28/01, 28/02, 28/03, 28/04, 28/05, 28/06, 28/07, 28/08, 28/09, and 28/10.

Admin fees/penalties apply for all payments that are received later than the dates mentioned above.

Bursaries and scholarships are awarded by the Belgium Campus, companies and the government. These scholarships are awarded under the condition that the student attends all classes, submits all assignments and projects, behaves and does well on all tests and exams, and fulfils all other criteria set out within the bursary agreement.

Scholarships and bursaries are valid for one academic year only. Students wishing to apply for a scholarship or bursary for higher years, have to apply in writing online (details will be available on the student's portal). Applications must reach us not later than the last day of October of the previous year.

Please note: If you received a scholarship or a bursary, a separate acknowledgment of this scholarship/bursary must be signed by the student, at the start of the academic year. The finance office will notify the student when the agreements are ready to be signed. Students who fail to sign this acknowledgement, will forsake their scholarship/bursary.

Reduction of tuition fees for families with an income below R280 000 annually

Students from families with a combined income of R280 000 or less per year can apply for reduction of tuition fees by R20 000, by sending the relevant application document. The Funding Questionnaire can be found within 'Relevant Forms and Documents', under the Information Pack and should be sent to accounts@belgiumcampus.ac.za, together with the required documents.

The reduction of R20 000 cannot be combined with any other bursary or scholarship received from Belgium Campus or any of its partners.
