

STUDENT CARDS & PICTURES

All students are required to have a student card printed. Student cards are printed at our Pretoria campus reception. To print your student card, we require a colour ID-style photograph showing your head and shoulders against a pale background. Please send this picture to komana.j@belgiumcampus.ac.za.

Your student card links to various on-campus facilities, the Belgium Campus screening app (COVID-19), your attendance, access to campus and the cafeteria meals, etc. Please ensure that you have your student card with you at all times when you visit campus.

FACE-TO-FACE LEARNING MODE

Students who selected face-to-face learning can collect their student cards from the reception of the campus they are registered with.

ONLINE LEARNING MODE

If you have opted for online learning, your student card will be couriered to you.
