

STUDENT CARDS & PICTURES

All students are required to have a student card. To print your student card, we require a colour ID-style photograph showing your head and shoulders against a pale background. Please send this picture to Kganye.S@belgiumcampus.ac.za.

Student cards provide access to the campus, link to various on-campus facilities, and are used to track attendance. Please ensure that you have your student card with you at all times when on campus.

FACE-TO-FACE STUDENTS

Students enrolled for face-to-face classes can collect their student cards from their campus reception.

VIRTUAL STUDENTS

Students who opted for virtual learning will receive their student cards via courier.
