Belgium Campus iTiversity operates across campuses in Pretoria, Kempton Park and Stellenbosch and is registered with the Department of Higher Education and Training as a private higher education institution under the Higher Education Act, 1997 (Registration Certificate No. 2003/HE08/001).

Position Overview

The Lecturer / Senior Lecturer plays a key role in advancing Belgium Campus iTiversity's academic mission through excellence in teaching, learning, research and student development. Depending on the discipline and appointment level, the successful candidate will contribute to curriculum design, technology-enabled teaching, scholarly research, academic leadership, industry collaboration and engagement with the broader higher education sector. Working collaboratively across academic and professional support divisions, the successful candidate will contribute to an innovative learning environment that prepares graduates to thrive in the digital economy while strengthening the institution's academic reputation and research profile.

Purpose of the Role

To deliver high-quality teaching, learning, assessment, research and academic leadership that advance student success, scholarly excellence and the continued growth of Belgium Campus iTiversity as a specialist higher education institution.

Academic Expectations

Academic staff are expected to demonstrate excellence in teaching, contribute to curriculum development, participate in scholarly research, support student success, engage with industry where appropriate and actively contribute to the academic life and strategic objectives of Belgium Campus iTiversity.

Depending on the appointment level, academic staff may also be expected to provide postgraduate supervision, demonstrate academic leadership and contribute to institutional governance.

Key Responsibilities

Teaching, Learning & Assessment

Directors: Nigel Tattersall, Ronald Meeske, John Owen Tattersall, Arie Willem Kuyvenhoven

Details: Belgium Campus iTiversity 1
NPC 2001/017971/08

DHET Reg No 2003/HE08/001
BBBEE level 3 contributor 01/B-BBEE/2025/00266/GEN

Klopper.HB@belgiumcampus.ac.za

- Deliver high-quality teaching using student-centred and technology-enabled approaches.
- Develop engaging learning experiences across face-to-face, hybrid and online environments.
- Design, assess and moderate learning activities in accordance with institutional policies.
- Provide timely, constructive feedback that supports student success.
- Maintain high academic standards while fostering an engaging, inclusive and student-centred learning environment.

Curriculum Development & Academic Quality

- Contribute to curriculum design, review and continuous improvement.
- Participate in programme accreditation, quality assurance and institutional reviews.
- Ensure module content remains current and aligned with industry and technological developments.

Research & Scholarly Activity

- Conduct, publish and disseminate scholarly research that contributes to the institution's research priorities and academic reputation.
- Contribute to Belgium Campus iTiversity's research strategy, research culture and institutional research impact.
- Participate in conferences, scholarly networks and knowledge dissemination.
- Depending on appointment level, supervise postgraduate research students.

Student Development & Academic Support

- Provide academic advising and mentorship.
- Support student success, academic progression and graduate employability.
- Identify and support students requiring academic intervention.

Industry & Academic Engagement

- Develop and maintain collaborative relationships with industry, professional bodies and other academic partners that enhance teaching, curriculum relevance and graduate employability.
- Participate in academic outreach, public lectures and institutional engagement activities.

- Support work-integrated learning and experiential learning where applicable.

Academic Administration & Institutional Citizenship

- Participate in faculty, programme and institutional committees and meetings
- Maintain accurate academic records.
- Contribute to policy development.

Professional Development & Continuous Improvement

- Maintain disciplinary expertise.
- Engage in professional development.
- Promote innovation in teaching and assessment.
- Remain current with developments in the discipline, emerging technologies and contemporary higher education practice.

Appointment Levels

Appointment level will be determined based on the successful candidate's qualifications, experience and demonstrated academic achievements.

Lecturer

Minimum Requirements

- Master's degree (NQF Level 9) in the relevant discipline.
- Relevant higher education teaching experience and/or significant professional or industry experience in the relevant discipline.
- Candidates registered for a doctoral qualification will have a distinct advantage.
- Demonstrated commitment to teaching excellence and student success.

Senior Lecturer

Minimum Requirements

Directors: Nigel Tattersall, Ronald Meeske, John Owen Tattersall, Arie Willem Kuyvenhoven

Details: Belgium Campus iTiversity 1
NPC 2001/017971/08

- Doctoral degree (NQF Level 10) in the relevant discipline.
- Demonstrated excellence in teaching, curriculum development and research.
- Evidence of scholarly publication.
- Experience in postgraduate supervision and the successful completion of postgraduate candidates will be advantageous.
- Academic leadership experience will be advantageous.

Desired Experience and Knowledge:

- Experience in curriculum development and review.
- Experience delivering technology-enabled, hybrid and online learning.
- Experience conducting applied research and scholarly publication.
- Experience collaborating with industry and professional bodies.
- Experience supervising postgraduate students (Senior Lecturer appointments).
- Professional registration or membership of a recognised professional body, where applicable.
- Experience integrating emerging technologies and responsible AI into teaching, learning or research.

Core Competencies

The successful candidate will demonstrate:

Teaching & Student Success

- Demonstrated commitment to student-centred teaching and learning.
- Ability to facilitate engaging learning experiences across face-to-face, hybrid and online environments.
- Strong assessment, moderation and constructive feedback capability.

Research & Innovation

- Ability to contribute to scholarly research, innovation and knowledge dissemination.
- Critical thinking and evidence-based decision-making.
